

Mond Valley Golf Course is a wonderful tree-lined parkland course with stunning views of the Black Mountains and is situated in the lower Swansea Valley.

Previously known as both INCO and Tawe Vale, it is now a private members club called Mond Valley.

Both the course and facilities are first class. The testing 18 Hole parkland layout is tight, so big hitters are rewarded, combined with small greens this presents a tough, but fair test of golf.

The three holes 12th, 13th, and 14th bordered by the River Tawe and Swansea Valley canal are pretty and testing for any level of golfer.

The course welcomes visitors and golf societies throughout the year and a number of green fee offers and competitive visitors' packages are available. Please contact 01792 845173 or info@mondvalleygolf.co.uk.

Please visit our website www.mondvalleygolf for further details.

Directions to Mond Valley Golf Club

Off Junction 45 of the M4, Drive 1 1/2 miles on A 4067 then take the left off of the 1st roundabout and our course is immediately on the right.
